

Inspection no. W&W2005LED01 from 17. March 2006

Drafting of an expert's report

on compliance with the demands of the EN81 part 1 and part 2

The TÜV Industrie Service GmbH, TÜV Rheinland Group,
certifies herewith the company

**W&W Aufzug- und Industriekomponenten
GmbH & Co. KG
Erkrather Str. 264-266
40233 Düsseldorf**

the accordance of the product

Type:	Landing door lighting
action designator:	"LED light eye"
ID-No. / -description:	6120 SZB-LED-GP-NB (new building) 6121 SZB-LED-GP-RF (retro-fitting) 6122 SZB-LED-CB (control box)

with the demands of appendix I to the guideline 95/16/EC of the council from 29/06/1995 of the
harmonized norm EN81-1/2:2000 paragraph 7.6.1.

The proof is effected by a **technical inspection**
(Technical report no. W&W2005LED01 from 25/11/2005).
The results of the inspection report are to be considered.

Execution- and using conditions to the presented product see attachment.
This drafting of an expert's report keeps its validity, as long as the based guideline demands and
the safety level of the inspected execution sample of the accordance are not fallen below.
The validity of the presented certificate is limited until 31/12/2010.
